

Change Language

Objective

To demonstrate how to set up a new Google account.

Instructions

1. Go to docs.google.com.
2. Click "Get Started".
3. Fill the form out starting with entering your e-mail address in the first box (This will be used to sign-in to your account).
4. Fill in a password (Minimum of 8 characters in length).
5. Re-enter the same password.
6. Choose the location you reside.
7. Type the characters you see in the picture (Letters are not case-sensitive).
8. Review the "Terms of Service."
9. To finish click the "I accept. Create my account." button.
