2. All applicants who are not U.S. citizens or Permanent Residents must complete this form.

When computing expenses, remember students holding F-1 student visas are not permitted to work off campus unless authorized by immigration services (BCIS). Except at BYU-Hawaii, student employment cannot be used as part of your financial plan. F-2 visa holders are not permitted to work under any circumstances.

The deposit belongs to the student and may be used towards his/her educational expenses. Contact the institution's Admissions Office if a refund becomes necessary.

An additional U.S. \$2,000 per year should be added to the above estimates for each dependent. All fees are subject to change without notice.

**Health Insurance**

Full-time students must either enroll in a CES school Health Plan or provide verification of adequate insurance coverage. The approximate cost of this insurance is U.S. \$400 for each year.

**Part 8A: Confidential Statement of Finances**
