Check previous courses completed and indicate grade in each course:

Child 150	_____	Child 210	_____
Child 240	_____	Child 260	_____
Child 240L	_____	Child 260L	_____
Child 280	_____	Child 230	_____

*Lab practicums for Child 240, 260 and 270 are M/W/F 7:45-11:45 or 12:45-4:45.*

The lab director will assign you to a lab and let you know which section you will be registered for. The lab manager will register you for the course and section assigned. Morning or afternoon lab preferences will be considered if supporting documentation is included with this application. PPE majors should expect one or more of their lab practicums to be in the afternoon. If a lab preference is made, you must attach a letter indicating why the morning or afternoon lab is requested. Requests for work considerations should include a letter from your employer indicating your required work schedule.

Lab Request:    Section 1 (morning)                  Section 2 (afternoon)                  Either
