### **Abstract**

Please type your abstract here. There are no specific size limitations. Please be brief yet concise. It must fit within the column boundaries specified here.

Please use 12 point bold font for the Title, followed by a blank line. Use 10 point size font for author and address information, all to be centered over 2-columns. Use 10 point size font for the rest of your manuscript.

Page dimensions are as follows: top margin – 7/8 inch, bottom margin – 1 inch, left and right margins – 3/4 inch with a column separation of 1/2 inch. Two-column format is required.

## **1 INTRODUCTION**

Please type your introduction here. The heading text is 1 point bold font.

### **1.1 Subsections**

There is 1 blank line before the section heading and one afterwards. Heading text is 10 point bold font.

References should be quoted in the text with a number in square brackets; for example: [1].

## **2 PAGE NUMBERS**

Do not include page numbers on your camera-ready manuscript. Rather, number the pages in PENCIL on the back of each page along with the Paper Code Number.

## **3 REFERENCES**

References should be quoted in the text with a number in square brackets; for example: [1].

Papers: author, title, volume number, issue number and year, inclusive pages; for example: [1] G. Moore, "Microprocessor and Integrated Electronic Technology," Proc. IEEE, vol. 64, pp. 837-841, 1978.

Books: author, title journal, volume number, issue number and year, inclusive pages; for example: [2] M. Kayston and W. R. Fried, Avionic Navigation Systems, John Wiley and Sons Inc., New York, 1969.
