STUDENT EMPLOYMENT

Students may receive assistance locating both on- and off-campus part-time jobs. On-campus job referrals are based on selected qualifications, availability, and existing job vacancies. Job vacancies vary throughout the calendar year.

During the fall and winter semesters jobs are extremely limited. Successful applicants generally have 1) an available 2-4 hour block of time between 8 a.m. and 2 p.m. daily, and 2) a willingness to accept any type of job, and work any hours. However, the very best opportunity for on-campus jobs is during the Summer terms.

Job Application Procedures:

Students are eligible for on-campus employment if they:

1. Are full-time students taking 12 semester, 6 block, or 1 summer term credit(s).
2. Have not graduated or completed 140 cumulative credits.
3. Are not on academic or Dean of Students’ probation.
4. During Fall and/or Winter Semesters, students must be full-time, day-time students.

Students may directly apply for on-campus employment or visit the Student Employment Office for assistance. The Student Employment Office works on a “first-come, first-served” basis. Job listings will be posted on the BYU-Idaho home page and the Student Employment job board.

If students are hired to work on-campus, they must complete all applicable paperwork in the Student Employment Office before they can begin work.

Federal government regulations require proof of identity and eligibility to work in the United States. This requires either a U.S. passport OR an original U.S. Social Security card, or certified birth certificate AND a photo I.D. (original documents only, no photo copies or faxes).

International students must be cleared through the International Student Office and must obtain a Social Security card before they can be referred for an on-campus job.

The Student Employment Office is located in room 240 of the Kimball Building. For general information call (208) 496-2170.

BOOKSTORE
The University Bookstore provides students with textbooks, classroom supplies, and a wide variety of discretionary and convenience items.

The following tips can help in having a successful Bookstore experience:

Avoid the Rush
To avoid the lines during the busy back-to-school period, you can use the textbook reservation system, purchase your textbooks online at www.byuibookstore.com, or shop early at the Bookstore. Many textbooks are on the shelves up to three weeks prior to the beginning of classes.

Returns
Textbooks purchased from the Bookstore at the beginning of a semester may be returned for full refund until the last day of the no penalty add/drop period. Returned books must be in resalable condition and a receipt must be provided as proof of purchase. Textbooks purchased after the add/drop period may also be returned within 24 hours from time of purchase. There are NO refunds on textbooks purchased the last week of any semester or term or during final exams.

There is also a generous return policy on other products.

Buy Back
The Bookstore buys used textbooks at the end of each semester during test week. The number of books bought depends on estimated future course enrollments. Excess textbooks and books not being used again on campus are bought at the same location by a wholesale book company for resale in the national textbook market.

Check Cashing
Checks may be cashed for up to $25 over the amount of purchase. A current student ID must be presented and the student number, local address, and telephone number must be clearly written on all checks. Payroll checks or large personal checks may be cashed at the Cashier’s Office in the Kimball Building.

STUDENT HEALTH CARE SERVICES
The Student Health Center (SHC), which is open to all students, spouses and children, is located next to the Radio & Graphics Services building on the east side of the Kimball parking lot. The staff consists of three physicians, three family nurse practitioners, two nurses, a lab technologist, an X-ray technologist and a pharmacist. If the Health Center is closed, call Campus Police.

When Is The SHC Open?
While school is in session, the Student Health Center hours are as follows:

• On Mondays, Wednesdays, and Fridays: 8 a.m. to 5 p.m. (last appointment at 4:30 p.m.)
• On Tuesdays: 8 a.m. to 2 p.m. (last appointment at 1:30 p.m.) and 3 p.m. to 5 p.m. (last appointment at 4:30 p.m.)
The SHC is closed on holidays and during the break between Fall and Winter semesters.

If a student requires health care not provided at the SHC, a referral to a qualified physician or specialist will be arranged. Most medical specialties are available either in Rexburg or nearby Idaho Falls (30 minutes away). Madison Memorial Hospital is minutes away from Campus.

Except for prescription cards, SHC does not bill private insurance companies. Students are responsible for submitting the bills to their private companies. In the meantime, their student account can be charged for Health Center services. They will have thirty days to pay the bill before interest is charged. If a student has Brigham Young University-Idaho insurance and not private insurance, the adjustment in their bill is made at the time of service.

If a student has both Brigham Young University-Idaho insurance and private insurance, the BYU-I insurance is the primary coverage.

Refer to the Financial Policies section of the catalog for information on Brigham Young University-Idaho Student Health Plan Insurance.

BYU-IDAHO ACADEMIC INTERNSHIPS
An academic internship is a valuable and integral component of a BYU-Idaho education. In most cases, an academic internship is a required element for both associate’s and bachelor’s programs. A BYU-Idaho academic internship is a cooperative program between the University and approved Experience Providers (employers).

The purpose of an internship is to obtain practical and valuable work experience, to apply skills and knowledge learned in school, and to gain exposure to various job opportunities. Many internships are paid experiences and typically last one academic semester in length. Students are generally encouraged to complete a full-time academic internship.

The Internship Office located in Kimball 230 is the central location to help organize, promote, and coordinate the internship process. The Internship Office is to help with legal problems, act as a resource center, ensure academic consistency, coordinate internship information, and assist with paperwork. A faculty internship coordinator has also been assigned to each academic department/major to assist with the understanding and arrangement of each academic internship experience.

Listed below are general academic internship guidelines:
1) The internship must be directly related to a student’s major or field of study.
2) The faculty department internship coordinator, as well as the University internship director must approve the internship.
3) The internship must be for academic credit using the 198/298/398/498 course numbers. The faculty internship coordinator must approve academic credit.
4) Students registering for academic internship credit must follow all registration guidelines and deadlines.
5) Specifically defined learning objectives, Experience Provider supervision, reports, and a signed Student Internship Agreement between the student and the faculty department internship coordinator are necessary to qualify for internship credit.

For additional information regarding academic internships, please visit our website at http://www.byui.edu/internships, or contact the BYU-Idaho Internship Office at (208) 496-2290 or at internships@byui.edu.
