A Parent Loan for Undergraduate Students (PLUS) is available for parents of dependent undergraduate students. The amount borrowed by the parent may not exceed the cost of attendance less other financial assistance the student has been or will be awarded during the period of enrollment. Contact the Financial Aid Office to determine eligibility for individual loan amounts.

**HOW TO APPLY FOR A STUDENT LOAN**

The student must first complete the FAFSA. Be sure to answer, “Yes” to the question on the FAFSA which asks, “are you interested in student loans?” If the student answers “Yes” to this question, he/she will automatically be sent loan information within a few weeks after submitting the FAFSA. If the student answered “No” but decides later to obtain a loan, he/she must contact the financial aid office to start the loan process.

**DEADLINES**

*Priority Deadline*

In order to award a student’s money on time, the Brigham Young University-Idaho Financial Aid Office would prefer the SAR information, loan request, and all other required documents to be turned in at least **two to three months prior to the date a student will attend** Brigham Young University-Idaho. Students not meeting the BYU-Idaho preferred deadline will not be denied aid; however, funding may not be available until later in the school year. The Financial Aid Office will not be responsible for any late fees if this deadline is not met.

*Free Application for Federal Student Aid (FAFSA)*

The federal processor will not accept any FAFSA after June 30, 2007. Students should start their FAFSA no later than one month before their last day of attendance.

*Student Aid Report (SAR)*

Brigham Young University-Idaho must receive a valid SAR electronically by the student’s last day of enrollment for the academic year.

*Student Loans*

Student loans must be certified by a student’s last day of enrollment at Brigham Young University-Idaho for the academic year.

**Verification**

If selected, the verification process must be completed within 110 days after the student’s last day of enrollment or August 15, 2007, whichever is earlier. Again, it is best to turn in all documents no later than one month before the last date of enrollment.

The most important thing to remember is to NOT procrastinate! It is the student’s responsibility to be aware of all deadlines.

For more detailed information on deadlines, link to the Financial Aid website or call our office at (208) 496-1015.

International students must be cleared through the International Student Office and must obtain a Social Security card before they can be referred for an on-campus job.

STUDENT EMPLOYMENT
Students may receive assistance locating both on- and off-campus part-time jobs. On-campus job referrals are based on selected qualifications, availability, and existing job vacancies. Job vacancies vary throughout the calendar year.

During the fall and winter semesters jobs are extremely limited. Successful applicants generally have 1) an available 2-4 hour block of time between 8 a.m. and 2 p.m. daily, and 2) a willingness to accept any type of job, and work any hours. However, the very best opportunity for on-campus jobs is during the Summer terms.
