BOOKSTORE

The Brigham Young University Bookstore provides students with textbooks, classroom supplies, and a wide variety of discretionary and convenience items.

The following tips can help in having a successful Bookstore experience:

Avoid the Rush

To avoid the lines during the busy back-to-school period, you can use the textbook reservation system, purchase your textbooks online at http://www.byuibookstore.com, or shop early at the Bookstore. Many textbooks are on the shelves up to three weeks prior to the beginning of classes.

Returns

Textbooks purchased from the Bookstore at the beginning of a semester may be returned for full refund until the last day of the no penalty add/drop period. Returned books must be in resalable condition and a receipt must be provided as proof of purchase. Textbooks purchased after the add/drop period may also be returned within 24 hours from date of purchase. There are NO refunds on textbooks purchased the last week of any semester or during final exams.

There is also a generous return policy on other products.

Buy Back

The Bookstore buys textbooks at the end of the semester during test week. The number of books bought depends on estimated future course enrollments. Students who purchase their textbooks from the Bookstore will have the first opportunity to sell their textbooks. Excess textbooks and books not being used again on campus are bought at the same location by a wholesale book company for resale in the national textbook market.

Check Cashing

Checks may be cashed for up to $25 over the amount of purchase. A current student ID must be presented and the student number, local address, and telephone number must be clearly written on all checks. Payroll checks or large personal checks may be cashed at the Cashier’s Office in the Kimball Building.

BYU-IDaho Academic Internships
An academic internship is a valuable and integral component of a BYU-Idaho education. In most cases, an academic internship is a required element for both associates and bachelors programs. A BYU-Idaho academic internship is a cooperative program between the University internship director and the student’s major department internship coordinator. The purpose of an internship is to obtain practical and valuable work experience, to apply skills and knowledge learned in school, and to gain exposure to vats job opportunities. Many internships are paid experiences and typically last one academic semester in length. Students are encouraged to complete a full-time academic internship.

The Internship Office located in Kimbol 230 is the central location to help organize, promote, and coordinate the internship process. The Internship Office is to help with legal problems, act as a resource center, ensure academic consistency, coordinate internship information, and assist with paperwork. A faculty internship coordinator has also been assigned to each academic department/major to assist with the understanding and arrangement of each academic internship experience.

Listed below are general academic internship guidelines:
1) The internship must be directly related to a student’s major or field of study.
2) The faculty department internship coordinator, as well as the University internships must approve the internship position.
3) The internship must be for academic credit using the 198/298/398/498 course numbers. The faculty internship coordinator must approve the academic credit.
4) Students registering for academic internship credit must follow all registration guidelines and deadlines.
5) Specifically defined learning objectives, Experience Provider supervision, reports, and a signed Student Internship Agreement between the student and the faculty department internship coordinator are necessary to qualify for internship credit.

For additional information regarding academic internships, please visit our website at http://www.byui.edu/internships, or contact the BYU-Idaho Internship Office at (208) 496-2290 or at internship@byui.edu.

Students are assured of reliable, professional assistance in an atmosphere of warmth and understanding where confidentiality is maintained. Counseling is intended primarily for those students who need help in a relatively short time. It is not intended for those who need long-term therapy. Full-time, on-track students are eligible for services. There is no fee for counseling.
