A monthly subsistence allowance is paid to contracted students.

Students will typically contract at the beginning of their junior year.

The Army ROTC Program is designed to produce highly qualified commissioned officers from the Regular Army, Army Reserve, or National Guard. Students specialize in the major field of their choice and graduate with the ability to function as a junior executive. The Army ROTC studies are designed to teach principles and techniques of leadership and management in preparation for service as an army officer and civic leader.

Simultaneous Membership Program (SMP)
A program allowing for simultaneous membership in the National Guard or Army Reserve during the junior and senior year that provides additional pay (up to $500 per month) as an officer trainee.

Uniforms and Training Materials
Uniforms and training materials are furnished by the U.S. Army.

Army ROTC Scholarship Program
Full tuition assistance is available on a competitive basis. College students enrolled in Army ROTC may qualify for a two, three, or four year scholarship. The scholarship provides for full tuition, fees, a textbook allowance, and a monthly stipend.

Extracurricular Activities
Army ROTC cadets extend academic and laboratory associations into a variety of extracurricular activities. Among these are the Ranger Club, Army Color Guard, and an annual Military Ball, rafting, rappelling, and more.

The instruction program compliments the academic schedule of the university and is taught by professional career officers and non-commissioned officers from the Regular Army, Army Reserve or National Guard. Students specialize in the major field of their choice and graduate with the ability to function as a junior executive. The Army ROTC studies are designed to teach principles and techniques of leadership and management in preparation for service as an army officer and civic leader.

Course Descriptions Credits*

MS 301 Leadership and Personal Development (2:0:0)
Selected leadership activities such as marksmanship, rappelling, water survival, physical training, and drill and ceremonies, field training exercises, orienteering, field communications, and other adventure training. Lab attendance is not required but is highly encouraged. Lab attendance may affect final grade.

(Fall, Winter, Summer)

MS 302 Foundations in Leadership (1:1:2)
Selected leadership activities such as marksmanship, rappelling, water survival, physical training, and drill and ceremonies, field training exercises, orienteering, field communications, and other adventure training. Lab attendance is not required but is highly encouraged. Lab attendance may affect final grade.

(Fall, Winter, Summer)

MS 201 Innovative Tactical Leadership (2:1:0)
Course includes a variety of subjects that deal with tactical and nontactical leadership problems. The course includes instruction in the following areas: applied leadership, basic rifle marksmanship, individual tactical skills, land navigation, and cadet common task subjects. Lab attendance is required.

(Fall, Winter)

MS 101 Leadership and Personal Development (3:0:0)
Selected leadership activities such as marksmanship, rappelling, water survival, physical training, and drill and ceremonies, field training exercises, orienteering, field communications, and other adventure training. Lab attendance is not required but is highly encouraged. Lab attendance may affect final grade.

(Fall, Winter, Summer)

MS 202 Applied Tactical Leadership (3:0:0)
Prerequisite: MS 201 and 202 if contracted. Participate in and learn to lead a physical fitness program. Emphasis on the development of an individual fitness program and the role of exercise and fitness in one’s life.

(Fall, Winter, Summer)

MS 203 Adaptive Team Leadership (1:0:0)
Prerequisite: Enrollment in MS 201 and 202, required in MS 201 and 202 if contracted. Open to all students. Optional for students in MS 101 and 102; required in MS 201 and 202 if contracted. Prepare the prospective Army officer for initial assignment.

(Courses 100, 101, 200, 201, and 202 are normally required in the following areas: applied leadership, basic rifle marksmanship, individual tactical skills, land navigation, and cadet common task subjects. Lab attendance is required. (Fall, Winter, Summer)

MS 207 Military Science Practicum (6:0:0)
Prerequisite: MS 302
Culmination of MS 301 and 302. ROTC Leadership Development Assesment Course (LDAC) at Fort Lewis, Washington. NOTE: This is required of all contracted students normally between the junior and senior year.

(Fall, Winter)

MS 497 Military Science Internship (6:0:0)
Prerequisite: Enrollment in MS 301, 302, 401, 402, and 493. A 3 week/120 hour clinical leadership experience with an Army Nurse Corps preceptor at an Army hospital in the US or overseas after completion of ROTC Leadership Development Assesment Course (LDAC). (Fall, Winter)

Course Descriptions Credits*

MS 104 Ranger Challenge (1:0:3)
Prerequisite: MS 201 and 202 if contracted. Participate in and learn to lead a physical fitness program. Emphasis on the development of an individual fitness program and the role of exercise and fitness in one’s life.

(Fall, Winter, Summer)

MS 401 Developing Adaptive Leaders (2:0:0)
Prerequisite: MS 302
Prepares students in the leadership of a team. Students receive leadership assessments. Lab attendance is required.

(Fall, Winter)

MS 407 Military Science Internship (0:0:0)
Prerequisite: Permission of Chair
Prepares students in the leadership of a team. Students receive leadership assessments. Lab attendance is required.

(Fall, Winter, Summer)

MS 501 Military Science Practicum (6:0:0)
Prerequisite: MS 302
Culmination of MS 301 and 302. ROTC Leadership Development Assesment Course (LDAC) at Fort Lewis, Washington. NOTE: This is required of all contracted students normally between the junior and senior year.

(Fall, Winter)

MS 401 Developing Adaptive Leaders (2:0:0)
Prerequisite: MS 202
Prepares the prospective Army officer for initial assignment. Prepares military staff organization and responsibilities, military intelligence, logistics, maintenance and supply; and an introduction to military justice.

(Fall, Winter)

MS 402 Leadership in a Complex World (2:0:0)
