APPLICATION FOR GRADUATION

Applications can be submitted online at www.byui.edu/graduation. Additionally, paper applications can be obtained from the Student Records and Registration Office. A one-time, non-refundable $8 graduation fee will be assessed per application.

For specific deadlines, refer to the Academic Deadline Calendar found in this catalog. Students who apply after the Graduation Application deadline may not be included in the Commencement Program. Official graduation is subject to a degree audit following the last semester of enrollment. The Student Records and Registration will notify students in writing of any graduation deficiencies. The Graduation Application of those who do not complete the requirements will be reevaluated at the end of the next semester.

ATTENDANCE AT COMMENCEMENT

Commencement and Convocation exercises are held in April, July, and December. Students who do not attend Convocation must claim a diploma cover from the Student Records and Registration Office before leaving campus. Diplomas will be mailed to graduates only after all requirements have been completed and verified, usually 6-8 weeks after final grades are posted.

- Magna Cum Laude: Students ranked in the top 5% of their graduating class.
