STUDENT HEALTH CARE SERVICES

The Student Health Center (SHC), which is open to all students, spouses and children, is located at the east end of the Kimball parking lot. The SHC offers comprehensive services such as: outpatient diagnosis and treatment, laboratory testing, radiology with interpretation, a regular pharmacy offering prescription and over the counter medications. If you have questions browse our website at http://www.byui.edu/healthcenter, call us at (208) 496-9330, or come in for more information.

When Is The SHC Open?

Student Health Center hours are as follows:
- On Mondays, Wednesday, Thursdays, and Fridays: 8 a.m. to 5 p.m. (last appointment at 4:20 p.m.)
- On Tuesdays: 8 a.m. to 2 p.m. (last appointment at 1:20 p.m.) and 3 p.m. to 5 p.m. (last appointment at 4:20 p.m.)

The SHC is closed on holidays and opened limited days during the break between Fall and Winter semesters.

The Student Health Center Pharmacy is able to directly bill ~90% of all private insurance for prescriptions, including all major companies. The SHC does not bill private insurance companies for medical services provided.

If a student has both Brigham Young University–Idaho insurance and private insurance, the BYU–Idaho insurance is the primary coverage. Refer to the Financial Policies section of the catalog for information on Brigham Young University–Idaho Student Health Plan Insurance.
