UNIVERSITY STORE

The University store provides students with textbooks, classroom supplies, and a wide variety of discretionary and convenience items.

The following tips can help in having a successful store experience:

Avoid the Rush

To avoid the lines during the busy back-to-school period, you can use the textbook reservation system; purchase your textbooks online at www.byuiStore.com or shop early at the store. Many textbooks are on the shelves up to three weeks prior to the beginning of classes.

Returns

Textbooks purchased at the beginning of a semester may be returned for full refund until the last day of the no penalty add/drop period. Returned books must be in resalable condition and a receipt must be provided for proof of purchase.

Buy Back

The University Store buys used textbooks at the end of the semester during test week. The number of books bought depends on estimated future course enrollments. Excess textbooks and books not being used again on campus are bought at the same location by a wholesale book company for resale in the national textbook market.

Check Cashing

Checks may be cashed for up to $25 over the amount of purchase. A current student ID must be presented and the student number, local address, and telephone number must be clearly written on all checks. Payroll checks or large personal checks may be cashed at the Cashier’s Office in the Kimball Building.

Student Charges

All registered students have a charge account set up through the BYU–Idaho Accounting Office. This account can be used to purchase textbooks, computers, and school supplies. The balance must be paid off within thirty days of the date of purchase. Payments can be made at the Accounting Office in the Kimball Building.
