BRIGHAM YOUNG UNIVERSITY–IDAHO HOUSING

A. All Single Students Must Live in Approved Housing

All single students, unless over 30 years of age, must live in approved housing unless they live at home with their parents. Students who wish to live with a relative or local family friend must receive approval from the Housing Office. Exceptions are granted on a case-by-case basis and do not constitute an approval of the house, but rather a temporary approval of the situation for a particular individual and it may be withdrawn by the university at any time. Those whose spouse has passed away, those who are divorced, and students who are married but whose spouse is away for military duty must receive permission from the Housing Office to live in approved housing.

Students who have been dismissed for an Honor Code violation, those on Academic Suspension, individuals who have not been admitted as BYU–Idaho students whether they are taking Continuing Education classes or not, and single students with children must seek housing in the community market.

All students living off-campus must provide the university with their current local street address while enrolled at BYU–Idaho. Students giving a false address would be in violation of the Honor Code and are subject to disciplinary action through the Student Honor Office.

B. Separation of Single Male and Female Students:

All approved housing units must provide for the appropriate separation of single male and female students. BYU–Idaho reserves the exclusive right to determine how its policy of separating the sexes should be implemented in each apartment complex.

C. Apartment Management

To achieve a reasonable level of supervision pertaining to the student housing and Honor Code standards relating to student conduct, each complex must have an on-site manager who meets the expectations established by the Housing Office. Resident Assistants (RAs) or Student Living Coordinators work closely with apartment managers, where they reside.

STUDENT WARDS AND STAKES

One of the greatest advantages Brigham Young University–Idaho offers its students is the opportunity to be a member of a student ward and stake. Sunday meetings, Monday Night Family Home Evenings and Tuesday Activity Nights contribute to the spiritual and social growth of each student. Progress towards spirituality and righteousness is greatly enhanced through participation in the Sacrament, Priesthood, Relief Society and auxiliary meetings provided each week. The foremost mission of Brigham Young University–Idaho is to encourage students to live the principles and build testimonies of the restored gospel of Jesus Christ. Since many more students want to attend Brigham Young University–Idaho than can be accommodated, participation in church meetings is a requirement for continued enrollment. Students who fail to take advantage of the spiritual environment of Brigham Young University–Idaho may forfeit their bishop's endorsement so that another deserving student may attend.
