

Withdrawal from School and Deferments

Beginning the first day of classes, any student who drops all classes to a zero credit level will be considered withdrawn from the University. Dropping all classes with only audit classes remaining will also be considered withdrawn.

Students who drop all classes via the online registration system are warned of the withdrawal status implications and informed of their responsibilities. Students may contact the Student Records and Registration Office for assistance.

The withdrawal date is the date the student drops to a zero credit level, unless otherwise approved by the Student Records and Registration Office. Students may not withdraw from BYU–Idaho after the last day to withdraw from school without receiving grades earned and will have those grades recorded on their academic records. (See Academic Calendar.)

Students who withdraw will be considered as discontinuing their attendance at BYU–Idaho and will lose their continuing student status unless they apply for and are granted deferral status by the Admissions Office. Students who withdraw and do not receive a deferral must apply for readmission to BYU–Idaho.

The available deferment types are as follows: Continuing Student, Missionary, and Medical. Following are the conditions to qualify for each of the deferment types.

1. Continuing Student Deferment. This deferment is for one semester only. Students must enroll in their next on-track semester following the deferred semester to maintain their admission status.
 - a. Be admitted and remain admissible as a regular day school student.
 - b. Attend the most recent on-track semester prior to requesting the deferment.
 - c. Submit the “Continuing Student Enrollment Deferment Application” before the last day to drop Full Semester classes without receiving a “W” grade. For the specific semester’s date, please see the Academic Calendar.
2. Missionary Deferment.
 - a. Be admitted and remain admissible as a regular day school student.
 - b. Enter the MTC during the semester immediately following the last semester of enrollment or prior to the first semester of enrollment after being admitted.
 - c. Submit the “LDS Missionary Enrollment Deferment Application” with a copy of the mission call after receiving the mission call and before entering the MTC.
 - d. Complete a full, honorable mission.
3. Medical Deferment.
 - a. Be admitted and remain admissible as a regular day school student.
 - b. Attend the on-track semesters immediately prior to and following the deferred semester.
 - c. Have a verifiable medical condition that prevents enrollment.
 - d. Submit the “Medical Enrollment Deferment Application” with a doctor’s statement to the Admissions Office.

TRANSFER EVALUATION

Transfer from BYU–Idaho

While BYU–Idaho does make an effort to establish articulation agreements with other colleges and universities, students who are considering transferring to another college or university should review that institution’s transfer guidelines.

Transfer to BYU–Idaho

BYU–Idaho accepts college level transfer credits from colleges and universities that are regionally-accredited by one of the following associations:

- Middle States Association of Colleges and Schools
- New England Association of Colleges and Schools
- North Central Association of Colleges and Schools
- Northwest Association of Colleges and Schools
- Southern Association of Colleges and Schools
- Western Association of Colleges and Schools

Courses from institutions that are not regionally-accredited are generally not transferable to BYU–Idaho. Additionally, courses from certain disciplines completed 10 or more years ago may only be accepted as elective credit.

Transfer courses considered to be out of harmony with established principles of The Church of Jesus Christ of Latter-day Saints will not be transferred to the University for credit consideration.

Full Disclosure of Transfer Schools

Failure to submit official transcripts to BYU–Idaho from all institutions you have attended or are currently attending, both U.S. and international, may result in disciplinary action including dismissal from BYU–Idaho.

Official Transcripts

BYU–Idaho considers evaluation of courses only with an official college or university transcript. Official transcripts are transcripts mailed in a sealed envelope from the institution or through a secured electronic transmission. BYU–Idaho will not evaluate transcripts submitted via fax or any other method deemed unsecure by the University.

Transfer Students with Degrees

Transfer students who have been awarded an Associate Degree (not including Applied Associate Degrees) from a regionally-accredited college or university will be viewed as having met the Foundations requirements for a Bachelor’s Degree at BYU–Idaho. However, transfer students are still responsible to meet all other graduation requirements including University requirements.

Students who have not completed a transfer Associate Degree will have their courses evaluated on a course-by-course basis.

Technical or Vocational Courses

Generally, technical, vocational, or occupational courses are not transferable to BYU–Idaho.

Concurrent/Dual Enrollment Programs

Students may receive credit for courses previously taken through an early college program if those courses were administered from a regionally-accredited college or university and are recorded on an official college or university transcript. Official transcripts must be sent to BYU–Idaho to be considered for transferability.
