**Objective**
To demonstrate how to use the “what if” calculator within I-Learn.

**Instructions**

1. Click on the “Grades” link in the desired course.

2. Click on the calculator icon to access the “what if” calculator.

3. Enter hypothetical grade for the future items.
4. Click the “Recalulate” button.

5. The new hypothetical score will be highlighted.

6. When finished, click “Close.”
