   Since this is a fully online course our medium of communication as a class will generally be through announced discussion boards. To get you familiar with the discussion board in this course your first assignment is to introduce yourself and get to know your classmates a little. Tell us who you are, where your from, etc...

   I'm interested in everything about you but some things I'm particularly interested about in students are:

   1) **Why you took this course?** (be honest. I'm well aware there are many students who took this class...
